February 2025

Spring Term

Upcoming events

Please listen to your child read and encourage them to tell you more about the wonderful books we have been sharing in class. They should continue to access TTRockstars to support their knowledge of the times tables.

**Monday 3rd March - Parent workshop-
Maths passports 10-10.30am**
Tuesday 11th March - Salt Talks visitor in school
Thursday 13th March 2025-Rosen assembly 2.45-3.00pm

PE Days

Rosen class: Tuesday and Wednesday
Mian class: Tuesday and Friday

What we're learning next half term

English

We will be writing bedtime stories to read to the nursery children. We will be using our imagination to write and perform fiction narratives about magical places and mythical dragons.

Maths

We will learn to measure accurately using a variety of equipment so that we know the differences between millimetres, centimetres and metres.

History

Our focus will be on our local heritage and the town of Saltaire. How did Bradford become one of the richest places in the world during the industrial revolution? Who was Sir Titus Salt and why should we remember him?

Science

We will be testing how plants grow using scientific enquiry. What do they need? How do they reproduce? We will answer these questions during our lessons.

PSHE

We will be reading "It's a no money day" by Kate Milner to discuss how we buy things and what are our real wants and needs.
