## What we're learning next half term

### English

We will be reading the text Anisha Accidental Detective and answering questions based on our VIPERS skills. We will also read Hocus Pocus and we will be writing poems.

### Maths

Fractions - we will be looking at converting mixed numbers to improper fractions and adding and subtracting fractions. Then we will be learning about decimals.

### Geography

How is the land used in the UK? We will be exploring different parts of the UK and how the land has been used in different settlements.

### Science

Electricity - We will be exploring electrical components and conductivity through circuit building and real life applications. Additionally, we will be looking at electrical safety.

### PSHE

Friendships - we will be exploring what a good friend looks like and some different ways in which we can repair a damaged friendship.
