

Farnham School News
Week ending
Friday 14th February 2025

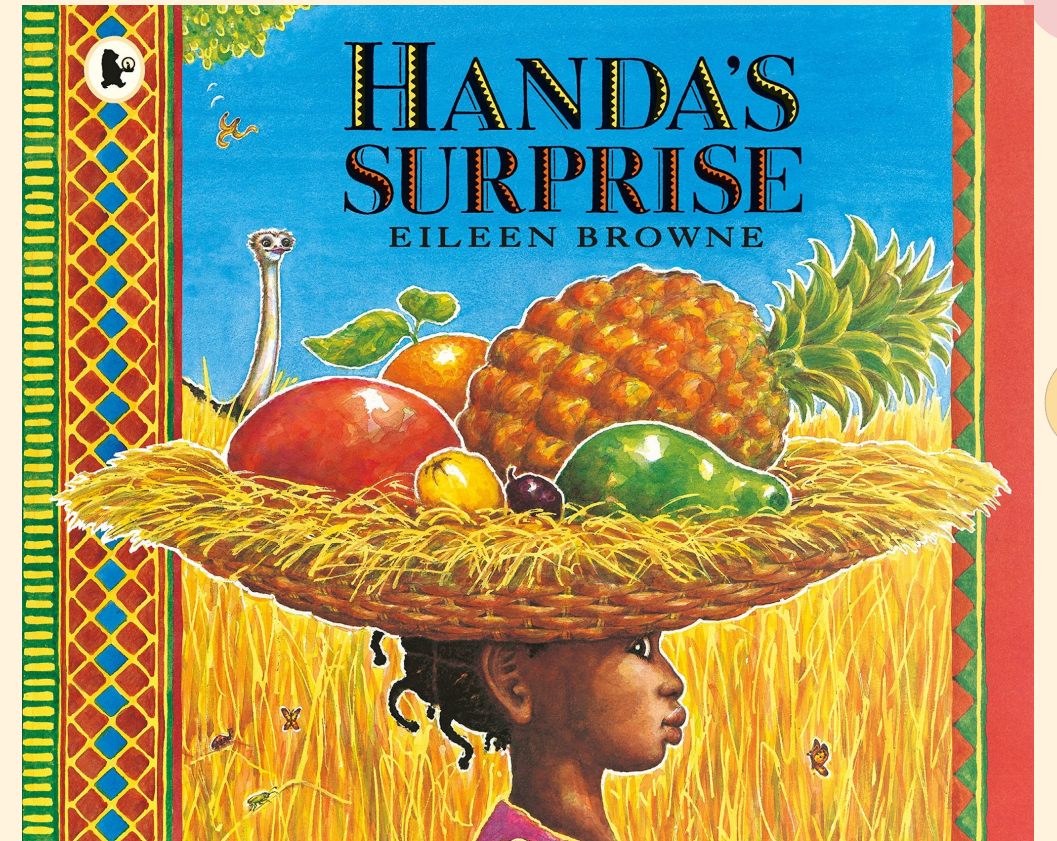

Nursery

This week we have been thinking about the number 3. We found out that a triangle has 3 sides.

Reception

This week we started reading 'Handa's surprise'. We tasted the different foods from the story- we all learned that we like avocado.

In literacy we began reading Handa's surprise and enjoyed tasting different fruits from the story.

In maths we have been learning all about doubling.

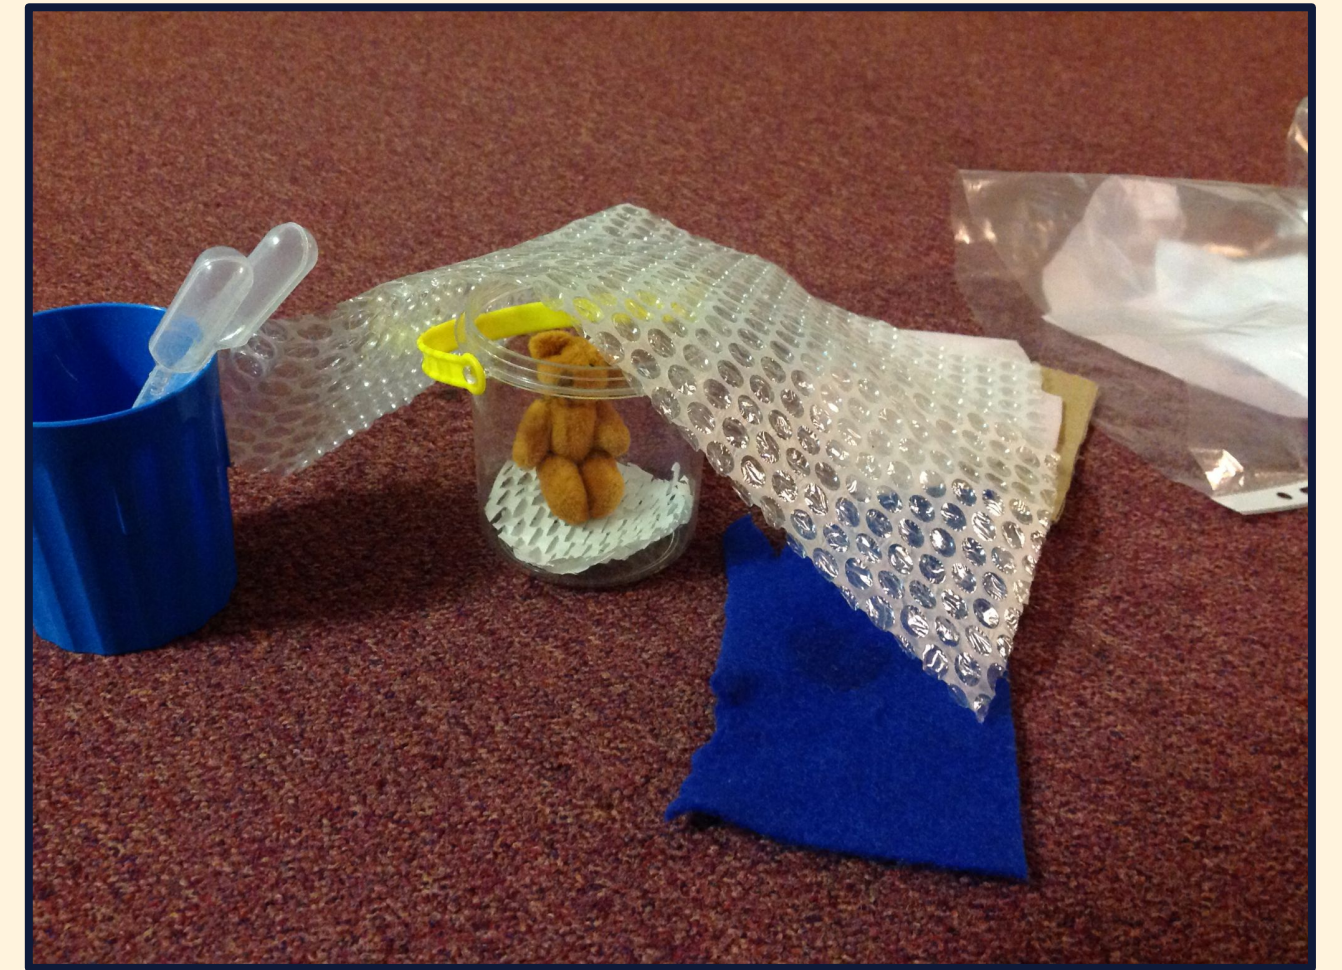

Here is the 1 piece  Double 1 is 2... 	Here is the 2 piece  Double 2 is 4... 
Here is the 3 piece  Double 3 is 6... 	Here is the 4 piece  Double 4 is 8... 

Year 1

This week we have been writing instructions about how to catch a star. We have been focusing on the presentation of our work, making sure our letters are the correct size and height.

In maths we have been looking at subtraction within 20. We have been subtracting by crossing out, using a number line and counting back.

In science we have continued to find out about materials. We looked at materials that are waterproof and which ones are the best to keep things dry.

Year 2

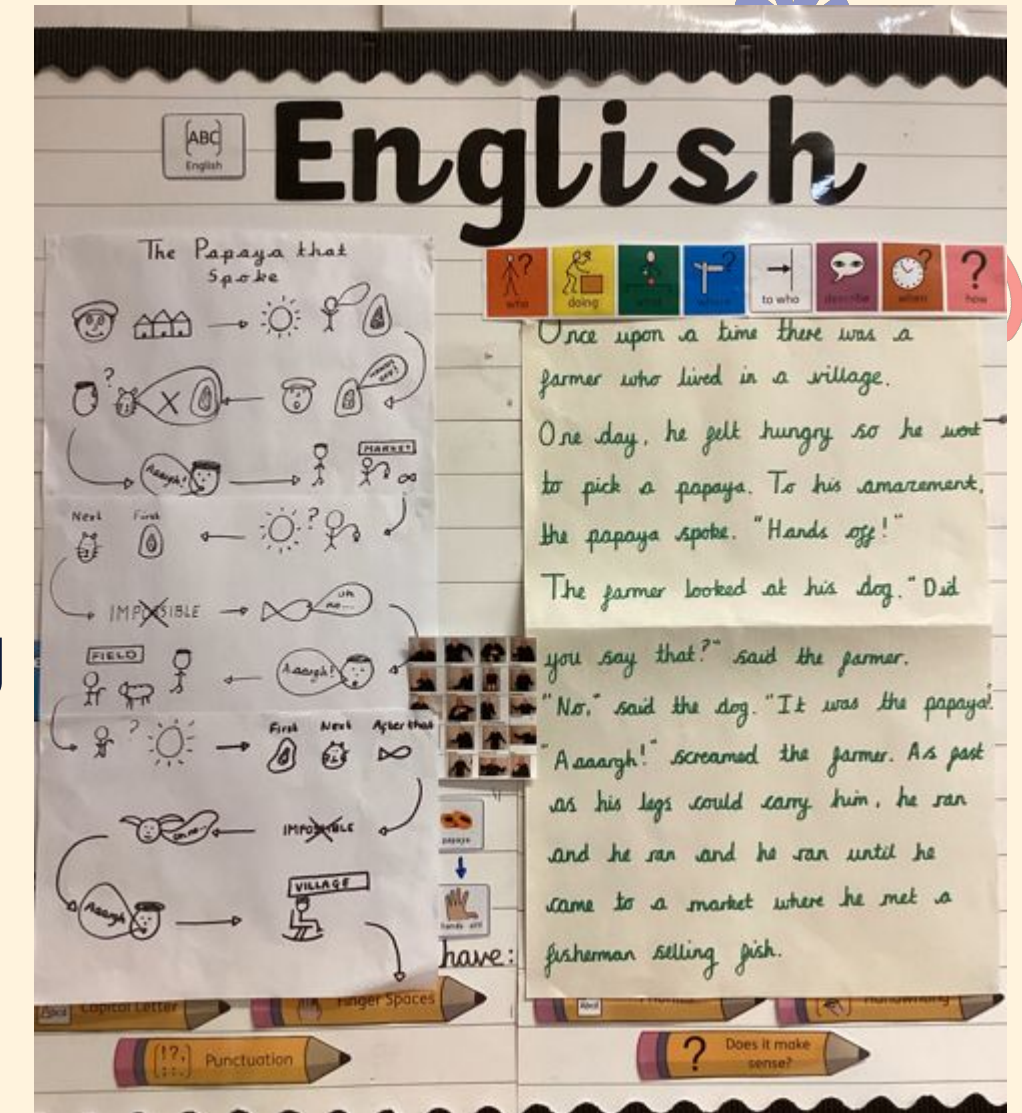

In English we have been planning diary entries from the perspective of Rapunzel.

In maths we have been learning the 2 times table.

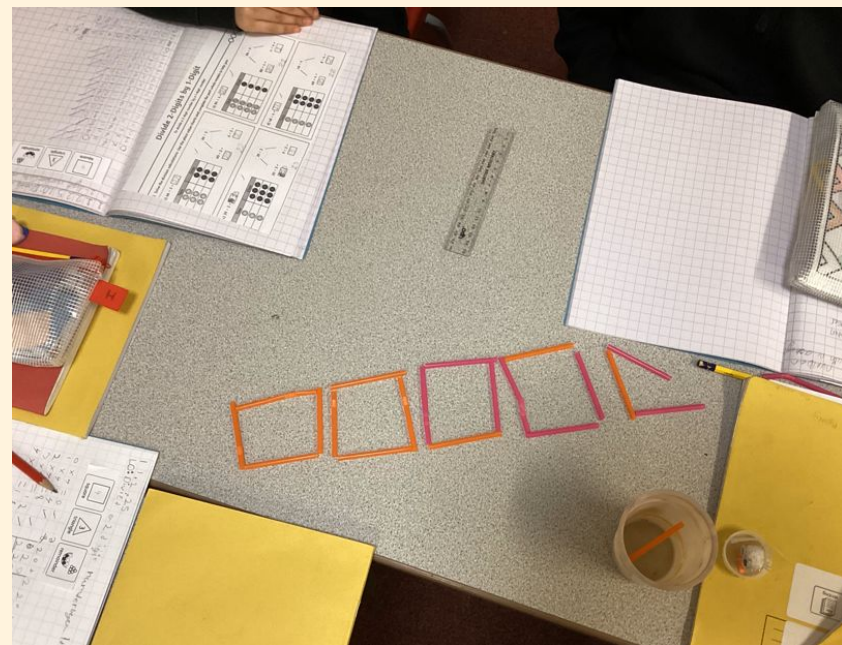

In art, we made clay lamps inspired by Florence Nightingale's oil lamp, she was known as 'The Lady with the Lamp'.

Year 3

In writing, we have enjoyed acting out the story of 'The Papaya that Spoke', we were so excited to share off our performance to the visitors on Tuesday. We are now working really hard to write the story using correct punctuation.

In maths, we have been learning about dividing with remainders. We found this tricky but we persevered.

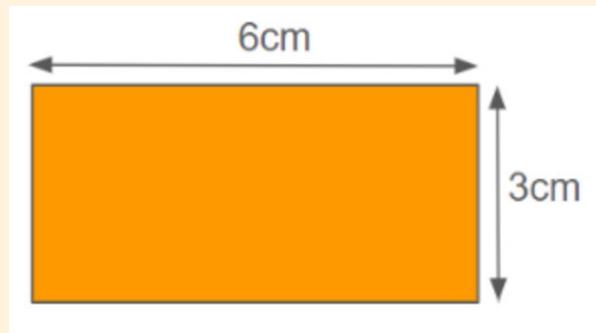

In DT, we have enjoyed making our volcanoes.

Year 4

In writing, children have enjoyed reading poems and working together to create a performance.

In maths, children have enjoyed calculating the perimeter of a rectangle. We used 'Century' to consolidate our understanding.

In art, children finished their painting inspired by Claude Monet and Neil Dawson.

Year 5

In writing, we have wrote some fantastic retelling of the story Beowulf from Grendel's point of view.

In maths we have begun to look at decimals and linked it to our fraction knowledge.

In DT we have made slingshot cars and thought about streamlining the design to decrease air resistance.

Year 6

In writing, children have completed their historical narrative which includes dialogue and vivid descriptions.

In maths, children have moved onto fractions, decimals and percentages equivalents..

In science we investigated why woolly mammoths were able to survive in the Ice Age through their adaptations.

Thank you
