

Summer 2 Holiday Project
Rainforests

*We will be starting a new topic after the holiday,
Rainforests*

- *Complete some research about where the main rainforests are in the world*
- *Identify and draw some of the animals you would find in a rainforest*
- *Draw maps or diagrams to show what you have learned*

House Point Total:

- 1) 5HP
- 2) 10HP
- 3) 15HP

The more research, the better pre- learning you have for when you return to school about our Rainforest topic!
