

English

We are learning how to:

Persuade

Explain

Book: **The Great Kapok Tree**

Mathematics

We are learning to understand:

Shape

(angles, polygons and lines of symmetry)

Statistics

Charts and graphs

Position and Direction

Shapes on a grid

Science

We are learning about: Living Things and Their Habitats

Recognise that living things can be grouped in a variety of ways.

Explore and use classification keys to group living things.

Physical Education

Please make sure that all items of P.E kit are labelled. Black jogging pants, white round neck t shirt and black pumps must be provided.

Swimming

Children go swimming every *Thursday*. Please make sure they have labelled swimming kit and uniform. No jewellery is permitted and long hair must be tied up. Fruit snack can be provided for the children to have on return.

Important

Important Messages

Please listen to your child read daily - this is extremely important to help them develop their reading skills.

Children are aware of their Maths Passport current target and should be practicing this at home regularly.

Year 4 Newsletter Summer 2 Term

Topic - Geography - Rainforests

We are learning about:

Why should the rainforest be important to us all?

Locate the world's countries, using maps to focus on Europe (including the location of Russia) and North and **South America**, concentrating on their environmental regions, key physical and human characteristics, **countries**, and **major cities**.

Physical, Social & Health Education

We are learning about:

Healthy Relationships and Growing Up

Emotional and Physical changes.

Please encourage your child to practise their times tables regularly at home. All children have logins for Times Table Rockstars and know how to play. Children must be accessing the 'soundcheck' feature several times a week.
