

English

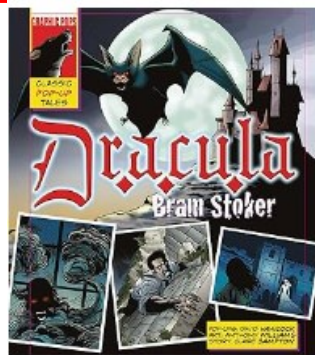

We are studying:

Dracula: Pop up tale by Clare Beaton

We will writing :

Setting description: We will look at the original location connected with Dracula-Transylvania- and write a detailed description.

Conversations: We will be revising the punctuation needed for speech and using this to record conversations between Dracula and his guests.

Maths

Fractions: Addition, subtraction, multiplication and division. Knowing how to convert improper fractions and mixed numbers.

We will be practicing daily arithmetic to keep improving our scores

Online Safety

Understanding the dangers of online gaming and privacy. Knowing why copyright laws are in place and how to keep details secure.

Geography

Coastlines and Rivers

We will be investigating the effects of coastal erosion. We will also examine how climate change is affecting the environment and what we can do to help.

PSHEE

To explore the responsibilities and opportunities, that arise as young people grow into adulthood. We will focus on democracy during our British Values discussions.

DT

We will be looking at how bridges are designed and making our own.

Year 6 - Monday and Wednesday

If you have any concerns or questions please don't hesitate to speak to Year 6 staff.

Year 6

Autumn Term

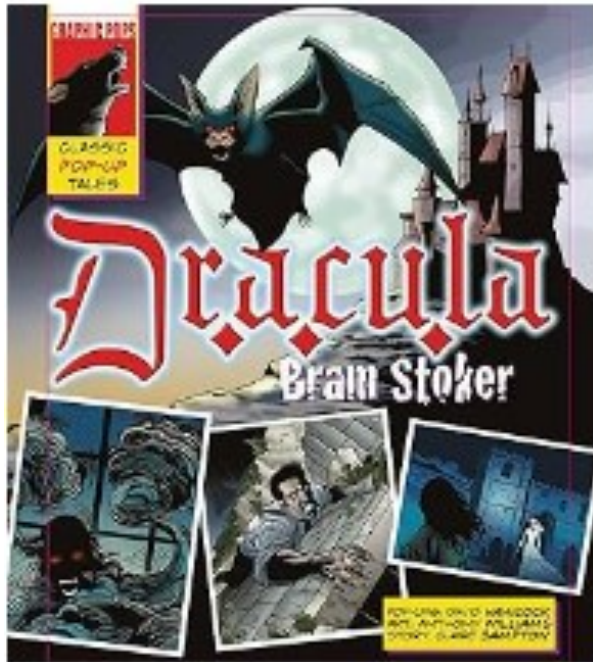

Science

Evolution and Inheritance

What have you inherited from your parents?

Would we ever have been able to live in harmony with the dinosaurs?

Do dinosaurs still exist today?
How have animals evolved?

Dracula, Whitby and Evolution Homework projects

Research the history about the story of Dracula

Create a fossil out of clay.

You could draw an animal that has become extinct.

Create a family tree.

Research your family and what you may have inherited from them.

Write a mini book about Charles Darwin's 'Theory of Evolution.'
