# Nursery

In nursery we have been making snowmen out of play dough and building a home for the penguins out of sugar cubes.

# Reception

In Reception we have been very busy practising our Nativity. We are so excited for you all to watch it next week.

In maths we have been consolidating our knowledge of number bonds to 5.

In literacy we have been reading the Nativity story.

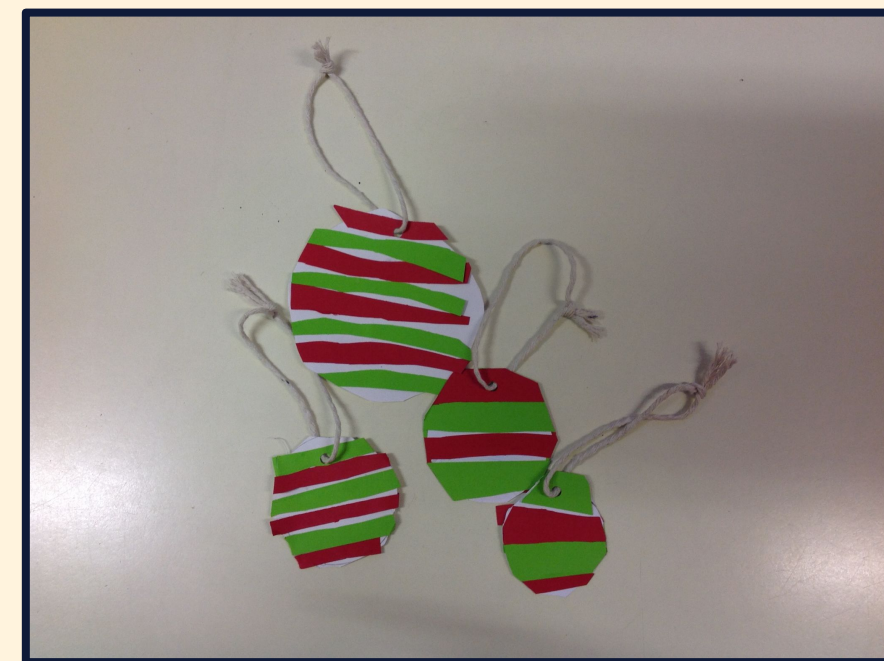

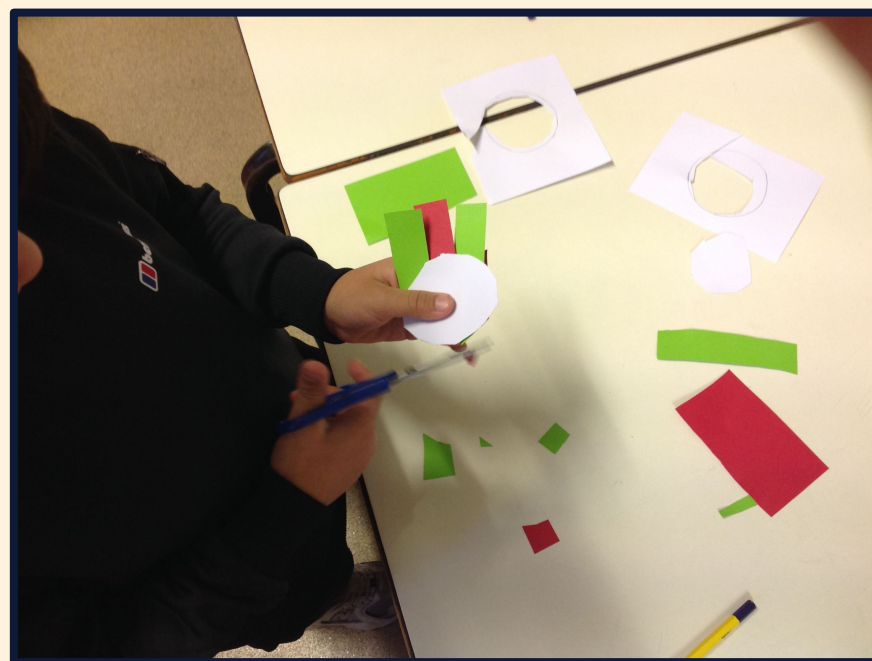

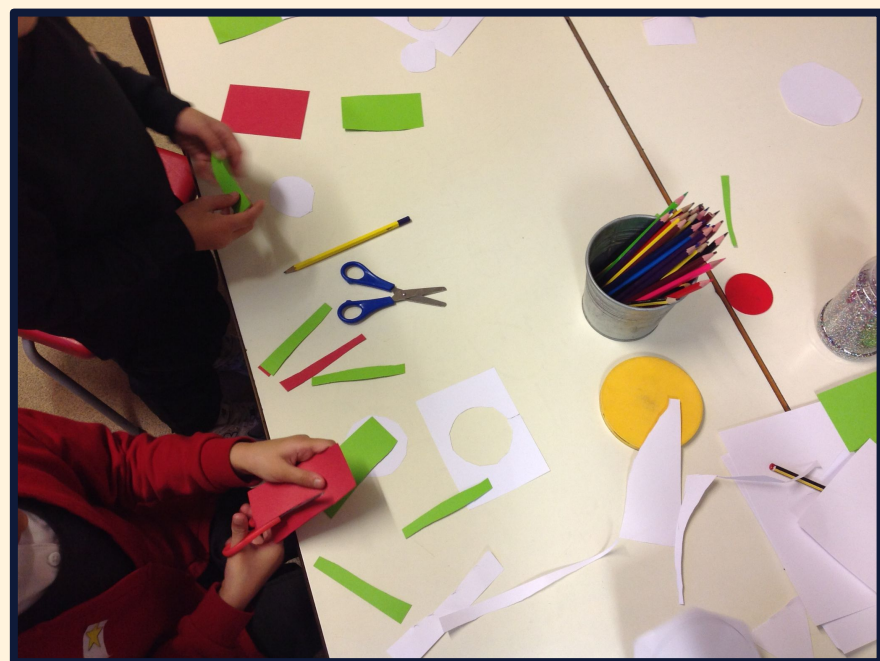

# Year 1

In English we continued to write sentences about mandrills. This week we concentrated on using finger spaces and putting full stops in the correct place.

In maths we have been recapping the different ways to add and subtract using a number line, tens frame and counting in our heads.

We finished making our Christmas baubles. This involved a lot of DT skills like drawing round a template, cutting, gluing, punching holes and threading string.

# Year 2

We have been sewing in DT to make a scarf. The scarf is for the witch from 'Room on the Broom' who lost all of her belongings!

In maths Year 2 have been counting the faces, vertices and edges of 3D shapes.

In English we have been using different conjunctions in our writing to extend our sentences.

# Year 3

In science, we have been investigating which metals are magnetic. We now know that all magnetic materials are made from metal but not all metals are magnetic.

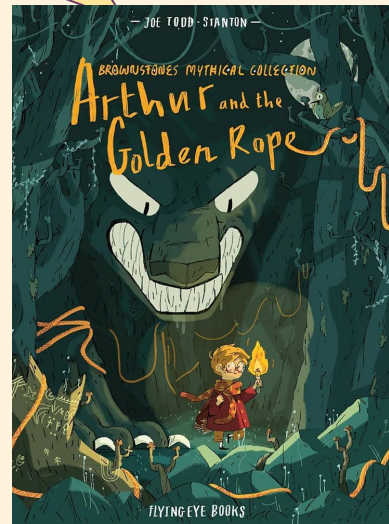

This week in maths, we have been learning all about sharing and grouping to help us solve division questions. We also looked at the link between multiplication and division.

In writing, we have continued working hard to secure our understanding of what a sentence is - we are becoming more confident identifying subjects and verbs. We have now started to use conjunctions to link independent clauses together.

# Year 4

## English:

This week in writing, we have been exploring our text 'Arthur and the Golden Rope'. We have been writing letters to Professor Brownstone to ask for permission to enter his magical, ancient vault.

## Maths:

This week in maths, we have been looking at our times-tables and practising them, ready for our test at the end of Year 4.

1 x	2 x	3 x	4 x	5 x	6 x
1 x 1 = 1	2 x 1 = 2	3 x 1 = 3	4 x 1 = 4	5 x 1 = 5	6 x 1 = 6
1 x 2 = 2	2 x 2 = 4	3 x 2 = 6	4 x 2 = 8	5 x 2 = 10	6 x 2 = 12
1 x 3 = 3	2 x 3 = 6	3 x 3 = 9	4 x 3 = 12	5 x 3 = 15	6 x 3 = 18
1 x 4 = 4	2 x 4 = 8	3 x 4 = 12	4 x 4 = 16	5 x 4 = 20	6 x 4 = 24
1 x 5 = 5	2 x 5 = 10	3 x 5 = 15	4 x 5 = 20	5 x 5 = 25	6 x 5 = 30
1 x 6 = 6	2 x 6 = 12	3 x 6 = 18	4 x 6 = 24	5 x 6 = 30	6 x 6 = 36
1 x 7 = 7	2 x 7 = 14	3 x 7 = 21	4 x 7 = 28	5 x 7 = 35	6 x 7 = 42
1 x 8 = 8	2 x 8 = 16	3 x 8 = 24	4 x 8 = 32	5 x 8 = 40	6 x 8 = 48

7 x 8 = 56	8 x 8 = 64	9 x 8 = 72	10 x 8 = 80	11 x 8 = 88	12 x 8 = 96
7 x 9 = 63	8 x 9 = 72	9 x 9 = 81	10 x 9 = 90	11 x 9 = 99	12 x 9 = 108
7 x 10 = 70	8 x 10 = 80	9 x 10 = 90	10 x 10 = 100	11 x 10 = 110	12 x 10 = 120
7 x 11 = 77	8 x 11 = 88	9 x 11 = 99	10 x 11 = 110	11 x 11 = 121	12 x 11 = 132
7 x 12 = 84	8 x 12 = 96	9 x 12 = 108	10 x 12 = 120	11 x 12 = 132	12 x 12 = 144

## RE:

This week in RE, we have been looking at the Guru Granth Sahib and its significance within the Sikh religion. We looked at what was inside it, where it was kept and how people treated it.

# Year 5

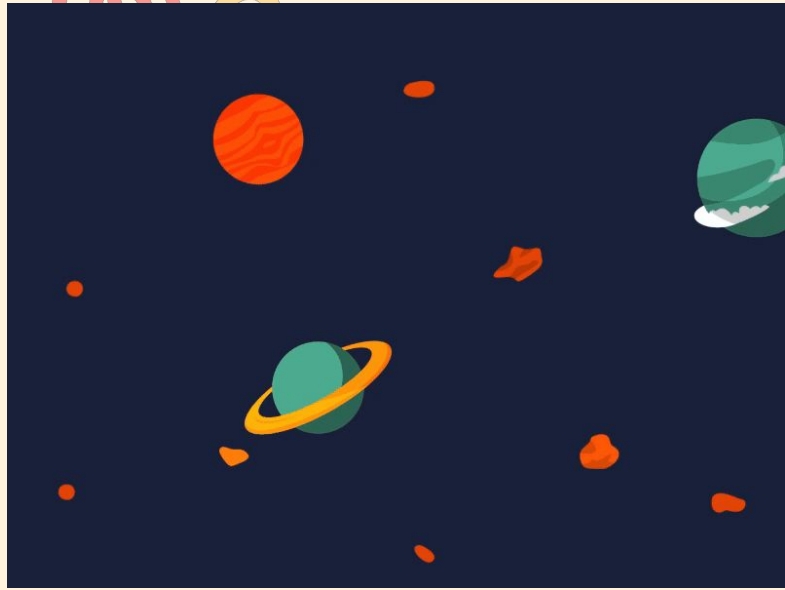

Year 5 have almost completed their animation of the planets using KeyNote. Next week we will try add music to add more atmosphere!

## Maths

This week we needed a little bit more time to recap our understanding of subtracting fractions. We have had a recap week which has definitely helped us!

## Writing

We have started writing a diary entry for Odysseus about the Cyclops attack. We are making sure we include FANBOY conjunctions and our paragraphs are applied correctly.

# Year 6

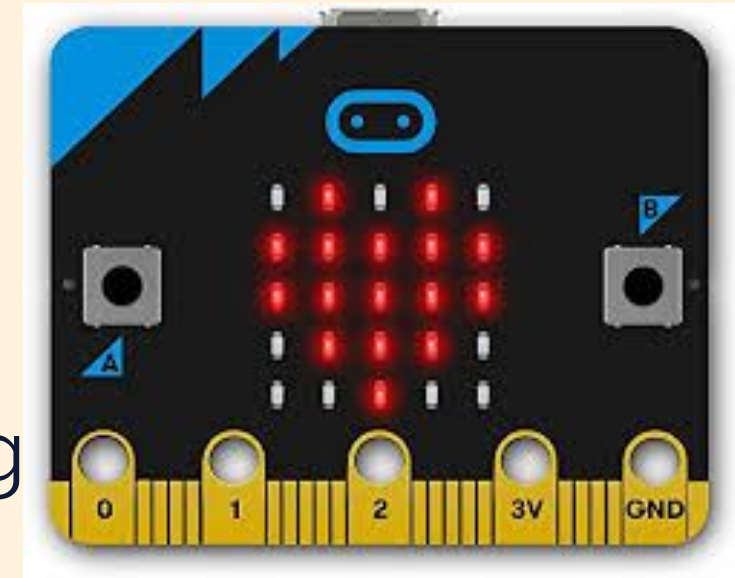

Year 6 this week completed their microbits. We completed our own gladiator watches and sports equipment.

## Maths

This week we have been converting and calculating using metric measures.

## Writing

This week we finished off our character description about Dracula. They were very scary! We have also started writing our own blackout poetry.

Thank you
