

Farnham School News
Week ending
Friday 17th January 2025

Nursery

In nursery we have been thinking about the number 3.

We have been counting to 3 and looking for the number 3 around the nursery.

Also we have been listening to the story of the Owl Babies, Sarah, Percy and Bill.

Reception

Reception have had so much back at school and getting back into our routines.

In literacy we have started reading our story ‘Dinosaurs in the supermarket’.

In maths we have been looking at representing numbers.

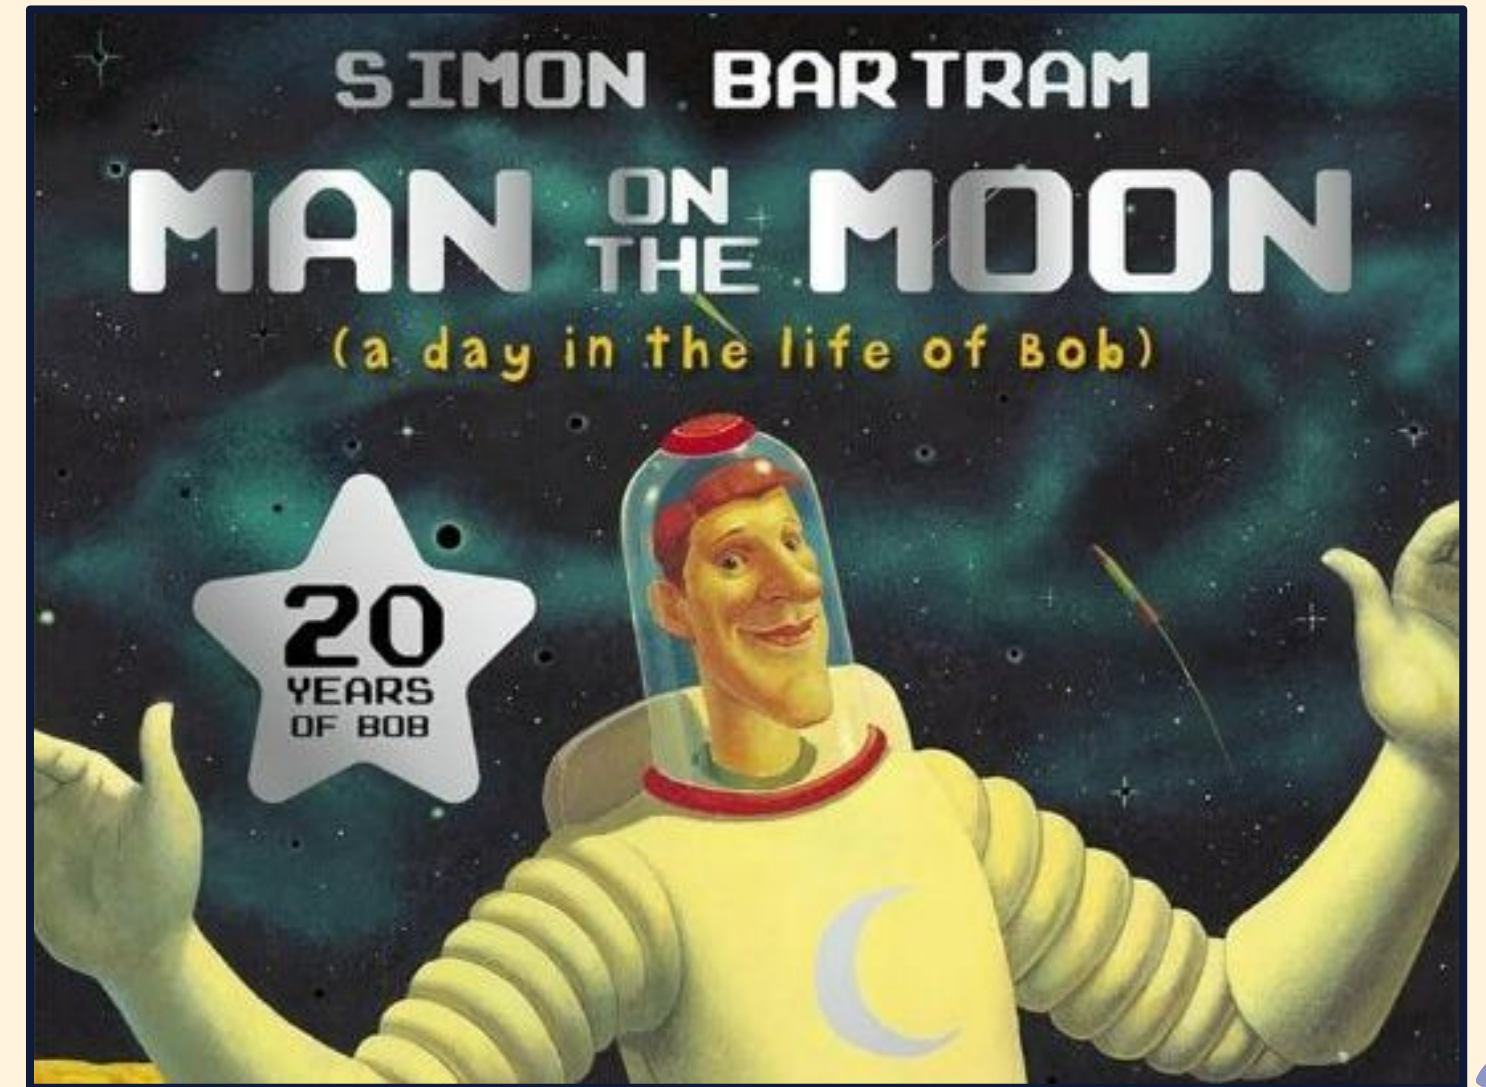

Year 1

Year 1 have started to read *The Man on the Moon* by Simon Bartram. We are excited to continue the book next week and learn more about Bob.

In maths we are exploring numbers up to 20. We are looking at how many tens and ones are in each number and the different ways these numbers can be represented.

In science we are exploring different materials. We looked at different objects around school and identified what material they were made of.

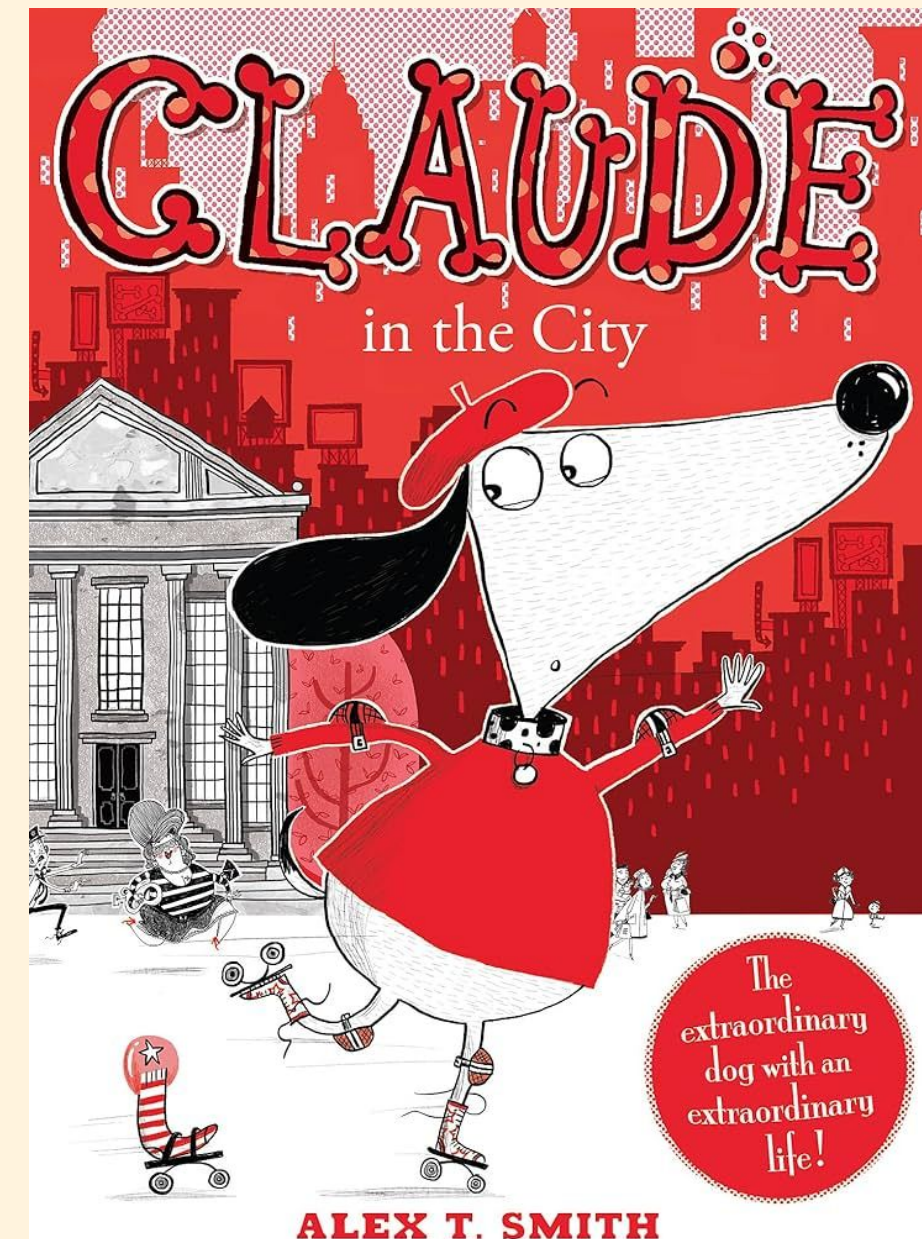

Year 2

In English We started our new story for the half term: Claude in the City. It's a funny story about a daft dog called Claude!

In maths we have been identifying coins and notes.

In science we have been learning about materials and their properties.

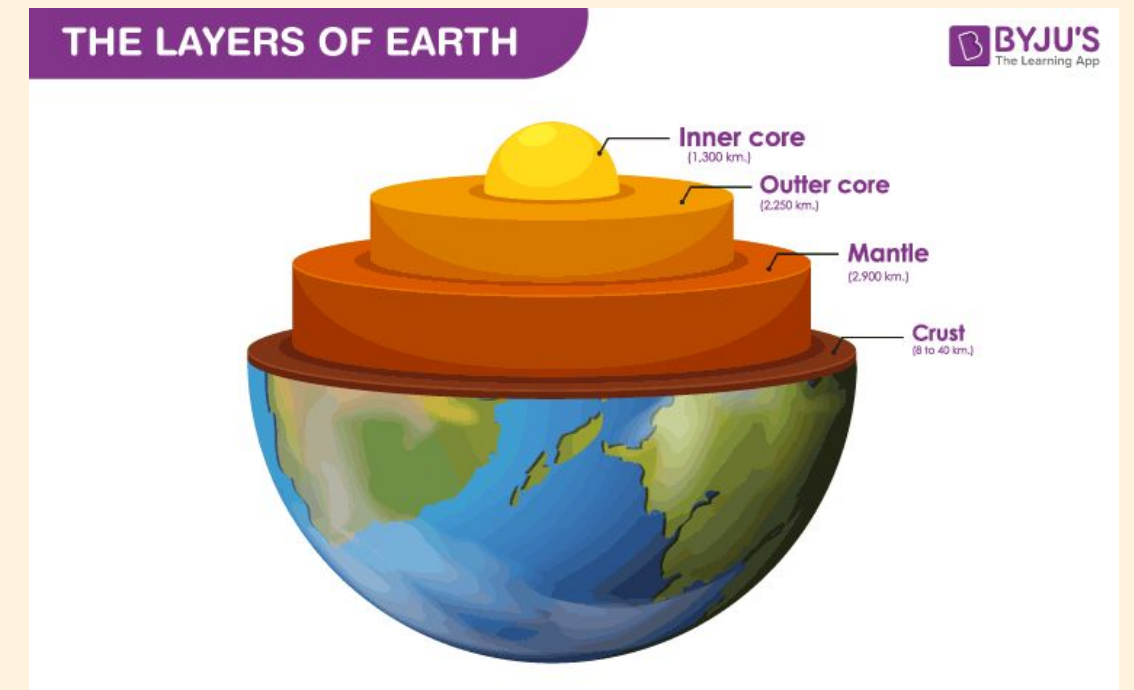

Year 3

Year 3 have started to read *Escape from Pompeii*. We are already beginning to make links to our new geography topic about volcanoes and earthquakes.

In maths, we have been learning our 4 and 8 times tables. We had lots of fun being the experts and teaching our teachers!

In geography, we looked at the different layers of the earth. These are the inner core, outer core, mantle and crust.

Year 4

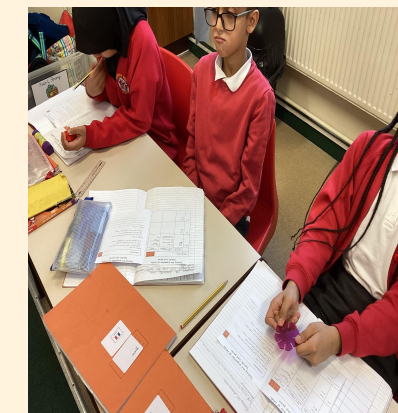

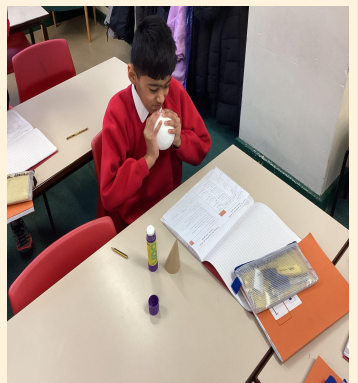

In writing, we have begun to look at our new text 'The Rhythm of the Rain'. We created freeze frames of the different scenes within the book.

During maths, we have been learning about multiplying by 10 and 100. We all managed to get onto the reasoning and problem solving questions.

In science, we carried out an investigation looking at the properties of solids. We discovered a solid has a fixed shape and volume.

Year 5

We are so excited to have started our new text Beowulf. We have had to make some serious decisions yesterday during a conscience alley what Beowulf should do.

During science we have investigated water resistance and thought about streamlining objects.

In History we have started our new topic on Anglo Saxons which has helped us in writing and reading lessons!

Year 6

English

In our reading lessons we have started to to read “When the sky fall”. Children are making lots of predictions at this stage using the clues they are finding in the text.

Maths

This week children have been starting to understand ratio and how ratio links to fractions. The children have also been introduced to scale drawings.

Year 6 really enjoyed their trip to the Alhambra Theatre to watch Pinocchio. It was a fantastic experience for the whole year group.

Thank you
