Spring Term 2

Longer, brighter days are coming! We are looking forward to the fun that spring term will bring.

Dont forget we have a little library in our entrance, please take a book to read with your child.

Upcoming events

**Parents workshop event
-Easter Egg hunt 3/4/25**

Holiday project

This half term we are thinking about being healthy. Its not all about fruit and vegetables, but also about getting out into the fresh air. Maybe have a visit to the local park , play on the swings and slides or just listen for the bird song. You could even run, skip or jump around the park.

What we're learning next half term

English

The children will read new stories and continue to learn about the characters in the stories. They will also start to make predictions on what they think will happen next.

Maths

In Maths we are learning all about the number 4 and 5. We are looking at quantities of this number and what it looks like physically.

PSHEE

This half term the children will be thinking about there feelings and the feelings of others.

Understanding the world

The children will be learning about Spring , the things we see at Spring time. We shall also be learning about Pancake day and Easter.

Art

Children will be trying to make steady brush strokes when using paint. They we also be using different objects to print with.
