Farnham School News

Nursery

We have been on an Easter egg hunt, it was so much fun.

Reception

Reception have been on a school trip to Judy Woods this week.

We explored the woodland and went on a minibeast hunt.

We saw snails, slugs, ladybirds and spiders.

In maths, we have learnt about 3D shapes. We learnt a song

to memorise their names and properties.

Year 1

In English this week, we have written our own version of Jack and the beanstalk.

In maths we have consolidated our understanding of capacity.

In geography, we thought about the improvements we might like to make to our playground and drew our own maps.
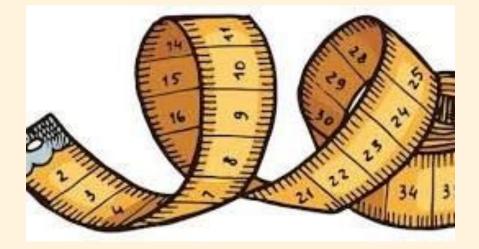

Year 2

We finished making our fire engines in DT.
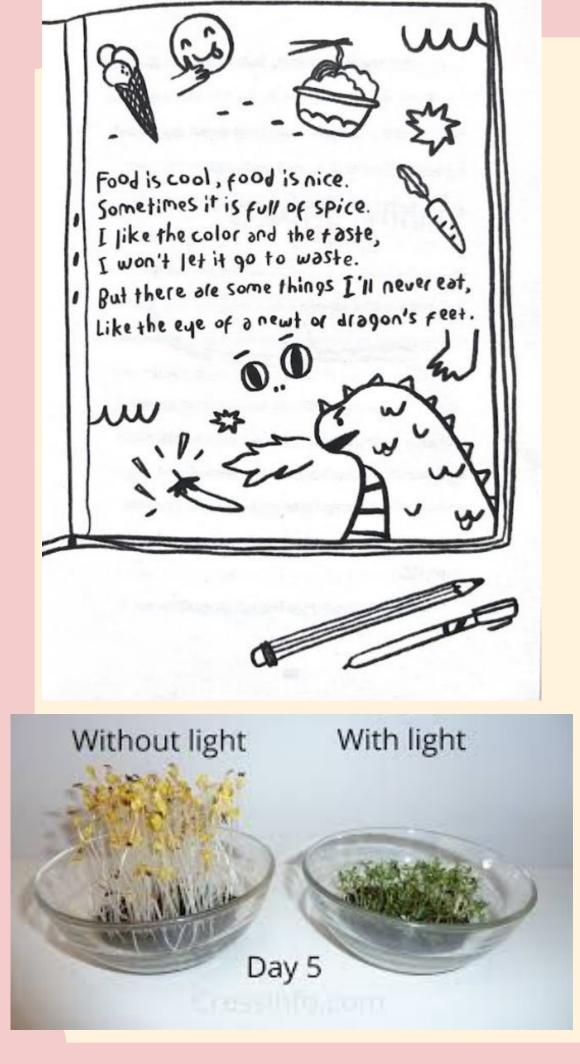

In English we performed our news reports in front of the class.

In maths, we have completed our unit on measure and have been consolidating our learning using Century.

Food is cool, food is nice.
Sometimes it is full of spice.
I like the color and the taste,
I won't let it go to waste.
But there are some things I'll never eat,
Like the eye of a newt or dragon's feet.

Year 3

In reading, we enjoyed performing the poem in Planet Omar. We wrote our own versions, thinking carefully about rhyme.

In writing, we recalled our Year 2 learning about apostrophes.

In maths, we compared equivalent fractions using a fraction wall.

In science, we investigated why plants need light, space and water to grow. Ask us why the yellow cress is taller, even without light.

Without light   With light

Day 5

Year 4

In writing, we have begun writing up our leaflets about our holiday destination, we have been working really hard to include our grammatical features.
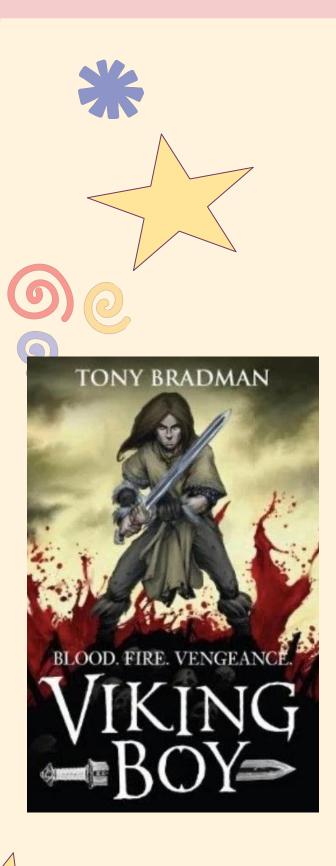

In maths, we begun our work on decimals. We have been looking at tenths and hundredths as fractions and decimals.

During art, we finished off our portrait paintings. We used paint to add some colour in the style of our artist Branwell Bronte.
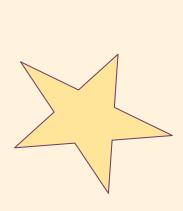

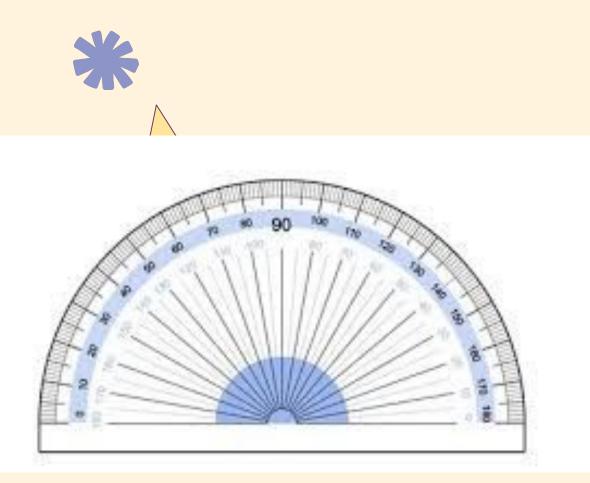

Year 5

In reading, we have now finished chapter 6. We have copies of the book for children who want to continue reading independently and find out what happens to Gunnar.

In writing, we are finishing writing our persuasive adverts. Have we done enough to convince Mrs Keenan to buy us a genuine Viking artefact?

In maths, we have consolidated our understanding of angles and used a protractor to draw and measure angles. It was not easy!.

Year 6

In writing, we have finished our retelling about the story Alma. We all have our own ideas about who the dolls will lure in next.

In maths, we been calculating the missing angles in different shapes. We have also used a protractor to measure unknown angles.

For reading, we are continuing to work on smaller extracts and we are focusing on finding the evidence within the text.

How to find the missing angle
