

# Reception Newsletter

April

## Summer Term 1

### Upcoming events

Welcome back Reception!  
We have lots of exciting things planned and our new topic is Minibeasts.

Maths Workshop  
29.4.25  
11am

### Holiday project

#### What minibeasts do you already know about?

You can use any available resource, including items from educational visits, library books and the Internet, but do not just print out web pages.

You can present your project however you would like e.g. a photo diary, using Powerpoint, making a model or a board game, creating a dance, poem, song or painting. Use your imagination and get creative. It is up to you!

### What we're learning next half term

#### Literacy

The children will read new stories which all link to our topic- Minibeasts.

#### Maths

In maths, we will learn about teen numbers and numbers beyond 20.

**Please make sure children bring their library book and bag on a Friday.**
