April 2025

Summer 1

Upcoming events

Thank you for all your support so far this year.

Please continue to support your child at home by listening to them to read daily, learning their weekly spellings and their timetables.

Thursday 1st May 2025

(2:45pm) - 3 Mian class assembly

Friday 9th May 2025

(1:45 - 2:30pm) - parent workshop

PE Days

Rosen class: Tuesday and Wednesday
Mian class: Tuesday and Friday

What we're learning next half term:

English

We will be writing to Mrs Keenan to persuade her to improve our outdoor area. We will also be using the picture book 'The Lighthouse Keeper's Lunch' to inspire our own instructions and storytelling.

Maths

In maths, we will be learning all about mass and capacity. We will measure in grams (g), kilograms (kg), millilitres (ml) and litres (L).

History

Our new history topic is The Romans. We will look at what life was like in Ancient Rome and the impact of the Roman Invasion on Britain.

Science

We will be learning all about light and shadows. We will learn about different light sources as well as investigate how shadows are formed and how and why they change throughout the day.

PSHE

We will be reading "Faruq and the Wiri Wiri" by Sophia Payne which focuses on how to live a healthy lifestyle. This will support us to retrieve our science knowledge from autumn term.
