Year 5 Fire Safety Talk - 22nd April
Murton Park School Trip (Vikings Topic) - 16th May
Computing Parent Workshop - 23rd May
2.30 - 3.00pm

Other News

PSHEE - We are excited to be learning a new book which discusses bullying, mental health and self-esteem. This will encourage us to think about our British Values and school rules.

What we're learning next half term

English

We are studying a picture book, *The Arrival*. We will be producing some wonderful outcomes such as a non-chronological report.

Maths

During Maths, we will look at position and direction such as angles, adding and subtracting decimals with a different number of decimal places and start the topic Negative Numbers.

History

The children will start a very new and exciting topic of The Tudors in year 5 looking at Henry VIII.

Science

Materials: Properties and Changes. We will experiment looking at transparency, conductivity and reversible and irreversible changes. We will also learn about the scientist Charles Kao.

Art

Samantha French: Movement and painting.
