

Nursery Newsletter

Summer Term June 2026

Please don't forget that we have a library at the entrance of the nursery, please feel free to let your child pick a book to take home to read, bring back and choose another.

What we're learning this half term

English

In English, the children will read new stories and use strategies to remember them. They will hear new words and use the vocabulary they have heard. They will begin to write their own name. We will also be thinking and using question words.

Maths

In maths, we are comparing two small groups of objects, counting in order and using the number name for each and discussing the length of objects.

Understanding the world

We will be thinking about how we look after and care for animals.

Art

Children will be painting using different apparatus such as their fingers, cotton buds and tooth brushes. We will also be creating the animals from our stories on the craft table, making woolly sheep with cotton wool and looking at the patterns that appear on animals in our natural world.

PSED

In PSED, this half term the children will be learning on how to become more independent. We will also be learning about the royal family.
