

Year 2 Newsletter

Summer Term June 2026

The children have been working tremendously hard and all the adults in Year 2 are super proud of them! We hope they keep going for our last half term!

Please can children:

Learn their spellings for Thursday's spelling test.

Log on to TT Rockstars or NUMBOTS to practice their number skills.

Practice their 2, 5 and 10 times table.

Read their phonics or library book.

Practice writing about something they like, or somewhere they have been.

Collect recycling to make their castles.

PE days

Jeffers Class - Monday and Tuesday
Coelho Class - Monday and Friday

Upcoming events & other news

June 5th - Book picnic!
July 9th - Trip to Scarborough

What we're learning this half term

English

In English we will be reading our book 'Claude at the beach' and writing postcards. We will also be retelling stories.

Maths

In maths, we will continue to learn about our fractions and make our fractions leaflet. We will finish off the half term looking at time, statistics and position and direction.

Geography

Year 2 have been immersed in all things royal and entertained us with their royal assemblies last half term. In the upcoming summer term we will be looking at 'What it is like to live by the coast'. To help us we will be visiting Scarborough!

Science

To finish off our learning we will be looking at 'plant - based materials'. Putting together our learning of materials and plants and deciding which materials would be the most suitable to make plant pots from.

DT

We will be using our monarch and coast topics to be making our own castles. We will also be drawing and painting coastlines in art looking at tone, textures and shading.
