We also have an amazing team of associate and support staff across school and these adults are allocated to year groups based on the needs of the children in that year group and their own knowledge and skills. During the academic year, there will be times when our Learning Support Assistants will move between classes or year groups to support children as needed.

After a short break away from Farnham, Mrs Thewlis will return permanently from September 2026 as a class teacher and we feel honoured that she chose to come back to Farnham.

Mrs Shamim has enjoyed the last year looking after her new baby and is now ready to return to Farnham - we can't wait to welcome her back!

Mrs Malik is sadly leaving us to embark on a new adventure but we will miss her very much and we wish her the very best of luck and we hope that she comes back to visit us soon.

We are already carefully planning for the new school year and we can't wait to welcome everyone back into their new classes from 8:35am on Wednesday 2<sup>nd</sup> September 2026.

We hope that you all have an amazing summer!

Yours sincerely,

Mrs Keenan
