# Year 2 Newsletter

## Autumn Term November 2026

Please support your child to learn their weekly spellings, read their phonics book and access NumBots at home.

Library books will be changed on a Wednesday.

**PE days**

Both classes - Monday and Wednesday

**Upcoming events & other news**

Thursday 5th November - Church Visit
Friday 13th November - Children in Need
Week commencing Monday 16th November - Anti Bullying Week

## What we're learning this half term

**English**

In English, we will be starting our new story, Meerkat Mail. We will use this to write a postcard from one of the many places visited.

We will also be learning about the celebration of Diwali and creating our own fact files to show our knowledge.

**Maths**

In maths, we will be continuing with our first addition and subtraction topic before moving on to mass, weight and length, and shape.

**Geography**

In geography, we will be thinking about whether we would like to live in a hot or cold place. We will name and locate the seven continents, discover what the equator is and look at life in hotter places compared with life in the UK

**RE**

Over the next half term we will be exploring
"Why is light important to people?"

**PSHEE**

We will be exploring how we can keep safe in a range of different situations in PSHEE including online, by fire and with medicines.
